FEATHERLITE EMERGENCY RESPONSE TRAILERS

Give your force the Ultimate Advantage.

With Featherlite's aluminum trailers, you receive

ALLOWING YOUR FORCE

Above: Mobile Catastrophy Services

City Fire Department

Animal Rabies Control

Police Officer Safety Training

Portable Airtanker Base

Mobile Law Enforcement

YOU NAME IT. WE BUILD IT!

No two Featherlite units are alike. Completely customized to your specific and unique requirements, they come equipped with Featherlite's advanced features.

SAFE • SECURE • SMART

OPTIMUM reliability and functionality,

TO RESPOND QUICKLY

under **DEMANDING** circumstances.

Your force demands a mobile unit that gives you the edge in serving your community when an emergency strikes.

Featherlite is devoted to the art of custom trailer manufacturing. With a Featherlite trailer with custom interiors, you will have the power to arrive on scene at a moment's notice and remain until your work is finished.

As many firefighters, police officers and other emergency response officials are learning, Featherlite offers durable, reliable units that **PERFORM.**

Disaster Recovery

Mobile HazMat Response

Mobile County Sheriff's Unit

Custom Truck Body and Trailer

Build one trailer to fit multiple needs or custom build several trailers, each specializing in a specific function.

No matter what kind of specialized response unit you need, your Featherlite trailer can **advance your force's preparedness** and **improve their response** in an emergency.

Featherlites are available in lengths from 8' to 53' in bumper pull, gooseneck and semi-trailer towing configurations.

Lounge area

Education trailers help train students at schools

FEATURES & BENEFITS

- All-aluminum welded construction is lighter and more durable - rely on it for years.
- Completely customizable to the individual requirements of each force.

- Unique electric rack and pinion expandable slideout drive (with patented manual backup) provides reliability and additional space.
- Available semi roof rails for a stronger structure and better appearance.
- Thicker side sheets available for rivetless look.

Medical trailers are customized to each hospital, clinic or company's needs

Mobile hazardous materials units help increase response time

Many cabinetry options available to customize your work space

Conference tables allow officials to plan and be briefed during emergencies

Sleeping spaces available

Functional work spaces offer smooth operation during emergencies

- Units can be equipped with the latest technology, including wireless satellite uplink.
- Units can be self-contained with restrooms, showers and sleeping quarters, allowing your force to remain on the scene of a disaster for many days.

- Put Featherlite's 30 years of experience to work for you! All trailers and components are built by Featherlite under one roof for ultimate control over product quality.
- Nationwide service and warranty.
- Complete parts distribution center.

Training labs allow students hands-on experience in science

Unique storage options available

Slideouts expand work areas

Large storage capacity accommodates all the necessary equipment on site

Hospitality trailers let officials remain on site for days and weeks if necessary
