

Safe. Secure. Smart.

The original aluminum horse trailer

Designed around you – with Featherlite **PerfectFit** SYSTEM.

YOUR LIFE.
YOUR TRAILER.
YOUR WAY.

NEW! PerfectFit[®]SYSTEM

Featherlite has transformed the way you select your Featherlite trailer. We call it the Featherlite PerfectFit. This new process allows you to easily decide on and customize your trailer around your life and your horses.

With the Featherlite PerfectFit, you'll discover fewer models **but not** fewer choices, meaning you'll be able to more narrowly focus on the model that's right for you. Then you can make a variety of selections to determine the precise trailer fit for you.

For over thirty years, Featherlite has built horse trailers designed for discerning people who value their animals and are **uncompromising in their desire for safety, style, durability and value.**

We look forward to having you join an elite group of satisfied customers who proudly transport their horses in a Featherlite.

Featherlite[®] _ The original

Safe. Secure. Smart.

Stylish wraparound lights.

Featherlite horse trailers are now outfitted with stylish wraparound lights that give your trailer more visibility when traveling down the road. Plus, the exterior of the Featherlite horse trailer has been dramatically redesigned with new "Wave" side panels.

YOUR LIFE.
YOUR TRAILER.
YOUR WAY.

aluminum Horse Trailer _

Easy Selections_

PerfectFit[™]SYSTEM

To choose your trailer your way, you'll make a variety of choices to find the right trailer.

Step 1 Gooseneck or Bumper Pull

Step 2 Slant Load or Straight Load

Step 3 Standard Stall Size or 'Big Horse' Stalls

Step 4 Number of Horse Stalls

Step 5 Width & Height

Step 6 Dressing Room Size

Determining your preferences to the above selections will help to narrow your search for the right Trailer Model.

After uncovering your Trailer Model, your selections will continue.

Step 7 Standard Features & Options

Your trailer will come with a number of standard features. However, you can opt to alter these features for a trailer more suited for you. In addition to standard features, your trailer is available with a mix of optional accessories.

The choices are incredible!

Note: The specs listed in this brochure for each model are considered "base" specs. Many more choices beyond those listed are available.

Floor mats

Saddle racks

Ramp

Hay rack

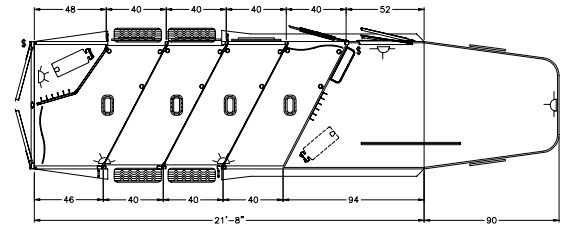

YOUR LIFE.
YOUR TRAILER.
YOUR WAY.

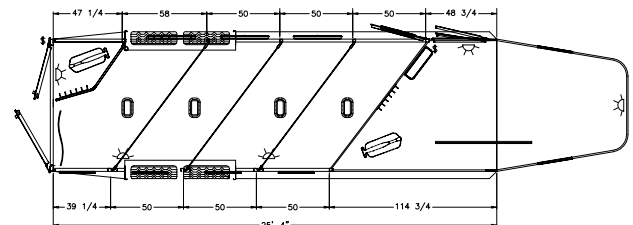

Goosenecks_

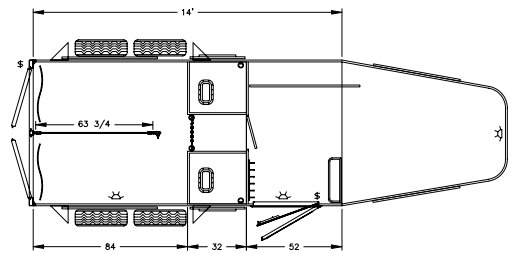

Model 8541_ Model 8541 is the industry's most versatile horse trailer. Model 8541 is available in 2-6 horse configurations with widths of 7'0", 7'6" and 8'0". Any dressing room size available. With these and many other options, Model 8541 is Featherlite's most popular model.

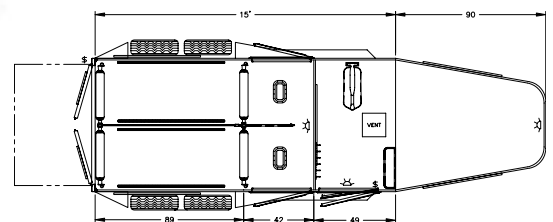

Model 8549_ Big Horse Model 8549 gives larger horse breeds a more comfortable ride with its standard width and height of 7'6". Featuring 50" wide stalls, slant load Model 8549 is available in 2-6 horse configurations.

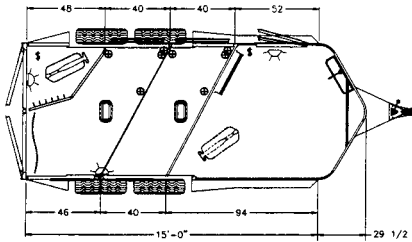

Model 9607_ Straight load Model 9607 features two mangers with walk through door and a dressing room.

Model 9608_ Specially designed for thoroughbreds, Big Horse Model 9608 features two side loading doors and rear ramp with many dressing room size choices.

Bumper Pulls_

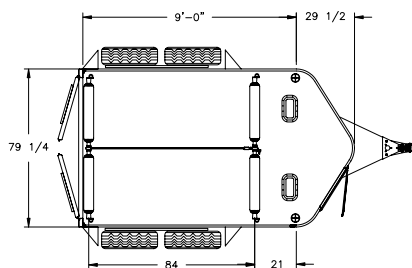

Model 8551_ A slant load with 40" stalls, Model 8551 is available in 2, 3 or 4-horse configurations and 7' or 8' widths. Base dressing room short wall options range from 24" to 56", with any other size also available. Side unload door standard on 3 and 4-horse models.

Model 8552_ Big Horse Model 8552 with 50" width stalls is available in either a 2 or 3 horse slant load. Trailer shown with optional rear ramp.

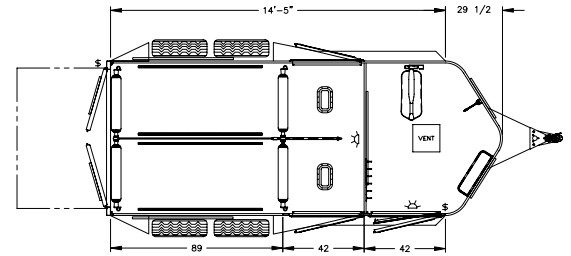

Model 9405_ Its compact design makes Model 9405 a premier choice for first-time horse owners. Aluminum floor is now standard on this 2-horse straight load.

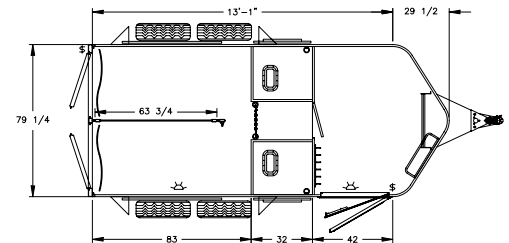

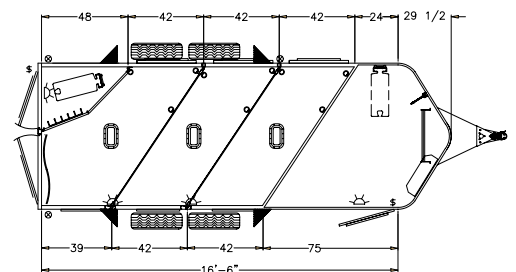

Model 9406_ Big Horse Model 9406 features side loading doors and a full-width rear ramp. Side ramp optional. Clinton Anderson Downunder Edition also available.

Model 9407_ Two-horse straight load Model 9407 features a feed manger in front of each horse with adjustable saddle rack with blanket bar mounted under each manger. Also includes dressing room.

Model 9408_ Slant load bumper pull Model 9408 features a convenient folding, removable rear tack. Available in 2 and 3-horse models.
